

Lomita Visit By T.B. X-Ray Unit Scheduled Soon

Renewal of plans for the visit of the mobile X-ray unit to Lomita was announced by the Los Angeles County Tuberculosis and Health Association. The definite dates set are March 10, 11, 12.

Due to the illness of the chairman, Mrs. George Simmons, it was not possible to schedule Lomita at the time the X-ray unit visited Torrance. Mrs. Simmons is now able to assume the chairmanship again. Her immediate plans include the showing of films before civic groups, to explain the importance of the chest X-ray. The X-ray service will be free to all Lomita residents 15 years and over.

Instructors In Aviation Get Brushup Course

To enable high school and junior college instructors to keep ahead of students in aviation education, a subject which wartime experiences has frequently given students the edge, a course in that subject will be given by University College, evening division of the University of Southern California, beginning February 10.

Meeting weekly at 7 p. m. in Room 101 Annex building of the campus, the course will feature non-technical subjects of weather forecasting, safety, principles of flight with a Link trainer to be used among demonstrations.

STRIPTEES

(Continued from Page 1-C)

welcome the opportunity to fire their rifles for a cause other than self preservation.

All this little rolling snowball needs now is organization. Someone to call a meeting. Elect officers and committeemen. Set the yearly membership fees and the small monthly dues to be allowed. Obtain the desired site for lease or outright purchase. (A quick survey Friday convinced us that there are numerous locations which would be desirable for the group.)

Trap and skeet shooting along with many other competitive contests which would be enjoyed by the membership would, if for no other reason, keep the hunter's gun from rusting in addition to maintaining his game season aim.

Archery would be included, the group declares, as well as embracing a membership for accuracy in fly and plug casting.

As we said in the beginning, the deal's wide open. It's a lead-pipe clinch to go over with a loud bang. One man among the group will have to do a "Ralph George" with the ball. Running interference has been assured.

Names of business men and city officials are on record as wanting to be a part of the membership and ready to lend a hand in this effort—but it appears that everyone is waiting for someone to say:

"All right boys, let's call a meeting!"

Eagles And San Diego Down Local Cagers

Basketball fans who wended their way into Torrance high school's gymnasium last Saturday evening were treated to a fast brand of high caliber casaba shooting as the Bryce's Market five of San Diego downed the local National Home Appliance Co. 49-25. The Redondo Eagles, classy hoop artists, subdued the Torrance All-Stars scrappy team 49-38.

The San Diego team included three exceedingly tall lads who delighted in battling down the locals' attempts to score and seemed to enjoy the futile attempts of the shorter Appliance men. Lanky Jim Husson, of the winners, was high point man with 17. Ralph George paced the local score with seven counters.

The Torrance All-Stars turned out to be the Fenwick team plus Woody Coleman of Good-year, as the rest of the top boys failed to show up for the encounter. The locals, however, gave a good account of themselves as they cut down the mighty Eagles 23-15 half-time lead to 29-31 in the third quarter only to have sharpshooters Wentzel, Despairs, Bruening and

Bowling Standings

Torrance Bowl league standings for the week ending Feb. 4, as compiled by the Torrance Bowling Academy, are the following:

Wednesday Mixed league:	
Team	W

Repairmen	18
High team series, Hamburger Hut	1040
Individual high game, John Clark	285

Operation Reunion Chosen For Navy And Marine Corps

Operation reunion has been chosen as the name of the big Navy and Marine Corps "get-together" scheduled for Sunday Feb. 16 at the Naval Air Station, Los Alamitos, near Long Beach. All former Navy and Marine aviation personnel are cordially invited to the station on that day to renew old acquaintances, look over the local set-up, see the latest in new planes—such as Ryan Fireballs (jet equipped)—the Grumman Tigercat (F7F) and Bearcat (F8F), new training equipment, in fact all that's new since they checked out with their ruptured duck.

Wives, girl friends, children and the parents are also invited for there will be many attractions that are not in a technical line. There will be a continuous free movie show, ships' service store will be open, refreshments will be sold at booths on the station, there may even be a beauty contest with valuable prizes for the winner. New attractions are being dreamed up daily as the whole complement of officers and men at the station are wholeheartedly preparing to act as hosts. Surely there will be old shipmates among the 408 stationkeepers and 258 members of the organized reserve, who will be aboard for the occasion.

MONTEREY CLAMS

Clam digging in the Watsonville area, Monterey County, has been fairly good of late with some large clams being taken.

Clean Bill Is Given Page Court

Tenants of the court and trailer camp operated by Rufus W. Page and Mrs. Minnie L. Terry at 1739 Western avenue, packed the City Council chambers Tuesday night for the hearing before the City Planning Commission on the application of Page and Mrs. Terry for zoning variance to permit expansion of the trailer camp.

Backed by a report from the County health department that conditions in the court and trailer camp are satisfactory and sanitary, the petitioners are seeking to enlarge the trailer

Joe Borges Is Eliminated In Glove Tourney

Private Joe Borges, Torrance, who is a member of the 53rd Transportation Corps Truck Battalion at the Fort Sill, Okla., artillery center, competed in the local Golden Gloves Boxing Tournament, Jan. 27 and 28.

Private Borges was eliminated in the semi-finals by a former light-heavy weight champion. In a 1944 Tournament, Borges himself took a championship. A veteran of several European campaigns, he holds the Combat Infantry Badge.

His home is at 20480 North Lawrence st.
